The new officers elected a week ago in Ruth chapter, O. E. S., were installed last evening in the Masonic hall in the Blanchard block by Miss Ena Adie, retiring worthy matron, assisted by Miss Florence Vercoe as marshal. The former of the two ladies was presented a handsome past matron's jewel, as was Arthur C. Tilden with a past patron's jewel. The evening was then made one of enjoyment with dancing to the music furnished by Reardon's orchestra.

Two pairs of work horses were driven through to Barre yesterday from Woods-ville, N. H., a distance of approximately 33 miles, by an employee of the city. The horses were chosen Monday from a large number kept at the stables of Kimball and Nutter, well-known reliable horse dealers in the above mentioned town. Three baseball players on the Goddard 1918 team have already gained positions on college varsity teams this year, Ralph ("Nig") Smith of Barre, who played the keystone position for Goddard last year, is holding down the same position for the University of Vermont and "Bennie" Tryon of Winchendon, Mass., who was right fielder and first baseman for Goddard in 1918, was on the receiving end of the freshman battery at Vermont when that team shut out the Harvard varsity at Cambridge, 1 to 0, Monday. The third Goddard player to get into college varsity company is Kopl, Goddard's shortstop last year, who is now covering the short field for the Dartmouth varsity and who accepted nine chances without an error in a recent game against the University of Maine.

The dance given in Howland hall last evening by the operators in the Barre telephone exchange was a largely attended and most enjoyable occasion, and the girls proved themselves most capable entertainers. The hall was decorated with American flags and with the familiar blue and white colors of the telephone company, while the well-known telephone bell had its place also in the decorations. Gilbertson's orchestra furnished the music and kept the feet of the dancers going until a late hour. The punch bowl was in charge of Mrs. L. M. Newton, and little Doris and Virginia Newton assisted in serving. Various members of the operators' force assisted in making the dance the success that it undoubtedly was.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.
